Mailing to a designated representative in an administrative appeal shall constitute mailing and notice to the party represented. There is a presumption that the addressee received such notices, orders and/or documents if mailed to the addressee's last known address, being the official mailing address that the Executive Director has for the addressee. The process by which this official mailing address is established and changed is as follows:

- A. The official mailing address of a person, including, but not limited to, a party or a party's designated representative, shall be the mailing address for that person appearing on the first document filed with the Executive Director in the administrative appeal containing a mailing address for that person.
- B. If subsequent to the establishment of an official mailing address, a person wishes to change his official mailing address with the Board in regard to an administrative appeal, the person must file with the Executive Director a written notification of the change of address with the style and docket number of the administrative appeal stated and the phrase "Change of Address" highlighted in the written notification. If this person has appeared in multiple administrative appeals, a separate written notification of change of address is to be filed in each separate administrative appeal. Such change of address will not be effective until filed with the Executive Director in regard to the administrative appeal in which change of address is submitted. As provided in Rule 4.6 below, the party or designated representative filing the written notification of change of address shall serve a copy of such change of address notification on all other parties in the administrative appeal.

The last day of the period so computed shall be included unless it is a Saturday, a Sunday, legal holiday or any other day when the office of the Board is in fact closed, whether with or without legal authority, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, a legal holiday or any other day when the office of the Board is closed. The Notice of Appeal or Objection form is to be filled out completely and executed, and a copy of the action from which the appeal is being taken or to which the objection is being made is to be attached to the form. - C. In addition to those documents required to be attached under subsections A & B above, an appellant may attach to the Notice of Appeal or Objection any other document to support his appeal or objection.

*Rule 4.15 Continuances and Extensions of Time.*

- A. A party desiring a continuance of an administrative appeal set for hearing shall file a written request for a continuance with the Executive Director setting out the reasons for the request. - B. The Executive Director may consolidate two or more administrative appeals for hearing purposes if he determines that the appellants in these administrative appeals are the same person or related persons and have common representation. Failure to timely provide the other party with a copy of such documents when required to do so may be found by the Board to be an involuntary withdrawal of the administrative appeal or the Board may determine that such documents should not be considered by it in the administrative appeal. *Rule 4.22 Orders of the Board.*

- A. After a hearing has been held before the Board on an administrative appeal, the Board may verbally announce its decision in the administrative appeal at the end of the hearing or take the matter under advisement for a decision at a later time.
- B. After the Board has made a decision, even when that decision is announced at the hearing, the Board shall issue a written order. The written order will be the formal decision of the Board in the administrative appeal and shall be executed by a majority of the members participating in the decision.
- C. The Board may elect to uphold the assessment or action, to amend the assessment, to issue a revised assessment, to order the Department to issue a refund or credit, to remand the issue to the Review Board or originating division for further work, or any other action it deems appropriate. The order shall set out the action taken and the basis for such action.
- D. Any time period for appealing from a decision of the Board to Court will run from the date of the written order. If the written order of the Board is amended for any reason during the time period for appealing the order to Court, but before an appeal from the order is actually filed in Court, the time period for appealing the Board's decision in the administrative appeal will then run from the date of the amended order. Up to the earlier of the date that the time period for filing an appeal from the order to Court expires or the date that an appeal of the order is actually filed in Court, the Board retains the authority to withdraw its order and return the administrative appeal to its docket for further consideration and decision. If this occurs, the order withdrawn will no longer be the final order of the Board in the administrative appeal and will not be appealable to Court. When an appeal from an order is timely and appropriately filed in Court, the Board no longer has jurisdiction or authority to change its written order, unless or until the order is remanded back to the Board by a Court.
- E. If the time period for appealing the Board's decision to Court has expired with no timely and appropriate appeal being filed in Court and the order has not been withdrawn by the Board, the decision of the Board will become final and shall not be subject to further review by the Board or any Court.
- F. Any appeal from a Board order under *Miss. Code Ann.* § 67-1-39 regarding an ABC matter shall be without supersedeas, which means any Board order regarding an ABC matter will go into effect on the date of the order and shall remain in effect unless and until it is overturned in a judicial appeal by a Court in a final non-appealable order. The Board does however retain authority, as set out in subsection D above, to amend or withdraw an order up to the earlier of the date that the time period for filing an appeal from the order to Court expires or the date that an appeal of the order is actually filed in Court.
- G. The Executive Director shall mail a copy of the written order entered in an administrative appeal to all parties in the administrative appeal.

**Part 101 Chapter 5: Procedure for Administrative Appeals Involving Appeals from Review Board Orders under Miss. Code Ann. § 27-77-5 and Written Objections to Ad Valorem Assessments**

*Rule 5.1 Administrative Appeals Covered By This Chapter.* There are several administrative appeals to the Board where by statute this Board is prohibited from making an official transcript, the judicial review of the Board's decision will be heard de novo and/or the appeal to Court involves a full evidentiary judicial hearing. This Chapter sets out the procedure to be followed in those types of administrative appeals. Specifically, this Chapter applies to the following administrative appeals:

- A. Any appeal under Miss. Code Ann. § 27-77-5 from an order of the Review Board to the Board;
- B. Any written objection filed with the Executive Director pursuant to Miss. Code Ann. § 27-35-309(2)(a) and § 27-35-311(2) to an ad valorem assessment by the Department regarding railroads or other public service companies under Miss. Code Ann. § 27-35-309(1);

*Rule 5.2 Method and Standard for Presentation of Evidence at Hearings.*

- A. Since an official transcript is not made of the hearing of an administrative appeal covered by this Chapter and any judicial review of the decision of the Board in an administrative appeal covered by this Chapter will be heard de novo and/or involve a full evidentiary judicial hearing before a Court and in order to streamline the hearing process, presentation of evidence before the Board in an administrative appeal covered by the Chapter is not required to be by examination of witnesses. Parties may present evidence through an oral presentation, written presentation and/or by the introduction of documentary evidence.
- B. If a party does present evidence to the Board through examination of a witness, the witness shall be sworn in by the presiding board member.

- C. The Mississippi Rules of Evidence will apply at hearings held in the administrative appeals covered by this Chapter, but they will be relaxed. Relevant hearsay evidence may be presented unless the presiding board member determines that such evidence lacks trustworthiness.
- D. If a party presents evidence to the Board through witnesses, any other party to the administrative appeal will be entitled to cross-examine such witnesses.
- E. Any board member may ask questions of any party, witness or other person who is present at the hearing. When such questioning occurs, each party to the administrative appeal will be given the opportunity to also question such party or person, but such questioning shall be limited to the area of examination by the board member. The order of such questioning will be determined by the presiding board member.
- F. Any party presenting a document to the Board for consideration shall provide all other parties to the administrative appeal with a copy of the document before or at the time of presentation of the document to the Board and shall have sufficient copies of the document at the hearing to allow at least four (4) copies of the document to be left with the Board.

  - 3) Any fact that may be judicially noticed by the courts of this state.
- H. Even though an official transcript is not made of the hearings in the administrative appeals covered by this Chapter, the Executive Director may make an audio and/or video recording of the hearing. When such recording is made, a party may obtain a copy of the recording from the Executive Director on the prepayment of the cost of the copy. In the case of a request for a copy of the recording by the Department, the Executive Director shall waive payment of this cost.
- I. To avoid unnecessary disruption and delays during the hearing, if the Executive Director makes a recording of a hearing in an administrative appeal covered by this Chapter, a party will not be allowed to record the hearing by any means, including, but not limited to, an audio recording, video recording or transcription by a court reporter.
- J. If the Executive Director does not make a recording of a hearing in an administrative appeal covered by the Chapter, but a recording is made by one of the parties to the administrative appeal, a copy of the recording will be provided by this party to any other party in the administrative appeal and/or the Executive Director upon request and payment of the cost of copying the recording.

If granted, the Executive Director should state in such notice the date by which appellant's written or electronic submission is to be filed with the Board. If no date is stated, the deadline for filing the written or electronic submission will be the date the administrative appeal is set for hearing before the Board.
- D. An appellant's request to submit his position in writing or by electronic transmission shall be considered to be a voluntary waiver by the appellant of his right to appear before the Board in person and shall constitute his consent to have his administrative appeal decided without a hearing if the Department also consents to the Board's consideration of the administrative appeal without a hearing as set out in subsection E below.

- F. If a request by appellant to submit his position in writing or by electronic transmission in lieu of appearance is granted and the appellant fails to file his written or electronic submission with the Board by the date set for such filing, this failure shall constitute an involuntary withdrawal of an appeal by the appellant as set out in Rule 4.12(B) above.
